### Informed Consent

**The Nature of Chiropractic Treatment:** The doctor will use his/her hands or a mechanical device in order to move your joints. You may feel a “click” or “pop”, such as the noise when a knuckle is “cracked”, and you may feel movement of the joint. Various ancillary procedures, such as hot or cold packs, electric muscle stimulation, therapeutic ultrasound or dry hydrotherapy may also be used.

**Possible Risks:** As with any health care procedure, complications are possible following a chiropractic manipulation. Complications could include fractures of bone, muscular strain, ligamentous sprain, dislocations of joints, or injury to intervertebral discs, nerves or spinal cord. Cerebrovascular incident could occur upon severe injury to arteries of the neck. A minority of patients may notice stiffness or soreness after the first few days of treatment. The ancillary procedures could produce skin irritation, burns or minor complications.

**Other Treatment Options:** May include over-the-counter analgesics, prescription medications, injections, and surgery.

**Risks of Remaining Untreated:** Delay of treatment allows formation of adhesions, scar tissue and other degenerative changes. These changes can further reduce skeletal mobility, and induce chronic pain cycles. It is quite probable that delay of treatment will complicate the condition and make future rehabilitation more difficult.

**No Warranty:** I understand that my doctor at Sweeney Chiropractic, cannot make any promises or guarantees regarding a cure for or improvement in my condition. I understand that my doctor will share with me his opinion regarding potential results from chiropractic treatment for my condition and will discuss treatment option with me before I consent to treatment.

I have read the explanation above of chiropractic treatment. I have had the opportunity to have any questions answered to my satisfaction. I have fully evaluated the risks and benefits of undergoing treatment. I have freely decided to undergo the recommended treatment, and hereby give my full consent to treatment.

- \_\_\_\_\_ Phone Call Reminder
- \_\_\_\_\_ Email Reminder
- \_\_\_\_\_ Text Message Reminder
- \_\_\_\_\_ All of the above

Cell Phone Carrier (Verizon, Sprint, etc): \_\_\_\_\_

We use a program that will send you texts that requires the cell phone carrier company in order to correctly deliver your texts. Also, please be advised that you **cannot respond to this service via text or email as we do not receive the messages**. Please, call the Office to reschedule or cancel your appointments. We have an answering system by which we receive messages if you need to call outside of office hours.

Our typical reminder program will send you an email, text, or phone call the day prior to your appointment. Please, if you are running late, or if you cannot make your appointment, **call the Office** so that we may be able to make sure you will be able to be seen. Certain types of appointments require specific therapy equipment that takes a specific amount of time per patient, per session.
